AGENCY OF
THE DAVIS VERTICAL FEED
SEWING MACHINE,
The Completest, Simplest and So
Sewing Machine in Use.

Cor. 8th St. & Washington Ave

CAIRO, ILLINOIS.

The demand for the DAVIS SEWING MACHINE in the Atlantic States, where they are best known and where they supply all others, is greater than ever before. It never fails in any kind of work. It is simple, consisting of a few strong parts, and its vertical feed makes it easy to learn and to turn corners without chance of stitch or tear.

Clothing and glove manufacturers prefer it to all others, and that is just the thing for family sewing. Everybody will acknowledge after examining.

Messrs. Buders have several sizes and especially styles of finish, and respectfully invite all who want the
